

Due to the FERPA privacy act, student records are protected and detailed information cannot be released without consent. If a student has someone other than themselves call and inquire about the student record including billing, grades, and financial aid, we cannot release information without an authorization completed on the Student Portal. If the student would like to complete the FERPA release on the Portal they can do so by logging into the Student Portal.

To access your student portal:

- Go to: www.welding.org
- Click on "Student Login"
- Login in with username (typical username is first letter of first name and full last name all lower case example – John Smith = jsmith or jsmith1)
- Click on My Profile
 - Click on FERPA – (In drop down) Select Consent - Click on Add Person and complete form.

See the Student Portal Quick Reference Guide for further instruction.
