Pell Grant and Direct Subsidized Loan are need-based programs. You may be eligible for some, all, or none of these funds. Eligibility is determined by the EFC (Expected Family Contribution), which is calculated from information provided by you on the FAFSA.

For dependency status explanation go to <https://studentaid.gov>.

Any funds that are reimbursed to the student or parent (from the Direct Parent PLUS Loan) for living expenses will be disbursed on Fridays. Any funds posted after checks are printed on a Friday will be disbursed the following week. Funds are received in 2 disbursements, after the 4th week of attendance and upon completion of 50% of the program.

Payment obligations are not eliminated until aid meets cost of tuition and books. All remaining balances after aid is paid in 3 to 5 payments. Please see example payment schedules sheet for more information.
